

Literacy Autobiography Self-Assessment Questionnaire

Definition	1. Did you tweak your definition of “literacy” from the start of the term? If so, how did it change?
	2. How have you come to define the term “autobiography”?
Format & Choices	3. What medium (slide presentation, video, paper, etc.) did you choose and why? How is the format suited to your journey and your literacies?
	4. What textual choices did you make? Be specific.
	5. What visual choices did you make, if any? Be specific.
Audience	6. How well do you think the audience connected to your presentation? Not at all? Adequately? Well? Or Very Well? Explain.
Revision	7. Is there anything you forgot to mention or wish you had emphasized?
	8. Is there anything you would change about your project and/or your presentation of it?
Reflection	9. What is the most significant realization or connection you made about your own literacy journey?
	10. What class activity was most helpful to this project?
	11. What advice would you give to your future ‘self’ student about literacy?
